

We have a fabulous celebration planned honoring our Veterans.

It will begin at 8:00 am in the MS cafeteria where the Veterans will enjoy a light breakfast and music performed by students.

From 8:35- 9:10 we will have a school-wide assembly in the Old Gym (where we vote) honoring the Veterans.

Immediately following, we will have a Living Museum where 5-6 Veterans will share their experiences in the armed forces. We also have a special station this year: Nicole Peyreigne will give a presentation on our national bird: the bald eagle. She will bring a bald eagle in addition to a golden eagle. We are thrilled!

All 8th grade classes will rotate through each station. This will last from approximately 9:20- 10:35.

Veterans will then head over to Town Hall for presentation at 11:00.

Veterans are invited to a special lunch at WMS after the ceremony in the cafeteria. Students will dine with them and enjoy time in small groups talking with them. A video honoring Veterans will also be shown during lunch.

*We welcome you to attend this celebration.
Thank you!*
